SEMI-AUTOMATIC SYSTEMS

An exploded view diagram of a semi-automatic system. The diagram shows a long, cylindrical main body with various components attached or nearby. On the left, there's a mounting bracket with several screws and a cable. On the right, there's another mounting bracket with a cable. Below the main body, there are several L-shaped brackets, a small circular component, and a coiled cable. The entire diagram is rendered in a light gray line-art style.
