

# • DETAILS OF BUNKER COVERS •

## Details Make The Difference

### **Semi-Automatic Operation**

Pulltarps Bunker Covers are Spring Loaded and Semi-Automatic in Operation.

### **One Piece Tarp**

All tarps are made from one continuous piece of fabric with no welds or seams.

Part # 427-XXXX

### **Sealed Sides**

Custom tarps are made to seal on bunker sides.

### **Grommets**

Come standard on all tarps.

### **Tarp Storage**

Tarp is stored neatly when not in use.

### **Pullrope**

We use an orange and black polypropylene truckers' rope to help pull the tarp over material.

Part # 501-10XX
