- Operations
- El Cajon, CA
- Full-time

## **DESCRIPTION**

### **Job Description – Sewer I**

**Location:** El Cajon, CA

### **Meet the Smart Safety Company**

At Safe Fleet our name says it all. We make fleet vehicles – and everyone in and around them – safer. Our fleet safety platform brings together best-in-class products, ground-breaking technology, and a 100-year history of fleet know-how and innovation to solve the world's biggest fleet safety problems.

Our core value is safety. Without safety first, efficiency and productivity are not possible. This is true for our products, our culture, and our relationship with our community. Our vision is to reduce preventable deaths and injuries in and around fleet vehicles with a goal of ZERO accidents.

**We are re-defining what safety means for fleets of every type – from school buses to waste collection trucks, firefighting to utility vehicles, police cruisers to delivery vans.**

Whether you work in our Charlotte plant to build lifesaving stop arms for school buses, or design advanced camera vision products in our Vancouver office, forge valves and high-quality nozzles to fight fires, or dream up new ways to protect fleet operators in our Corporate HQ in Kansas City, you'll contribute to our goal to keep everyone safe.

**We are a fast-growing manufacturing, service, and technology company with over 1700 employees in over 15 locations across Canada and the US. We're looking for motivated self-starters with innovative thinking to join our team and help us achieve our growth and performance goals. Sound like you?**
