Submitting your Tax-Exemption information

Step 2: From your **MY ACCOUNT** page, navigate to the **TAX EXEMPTION** link and click to go to Tax Exemption page (Fig. 2).

Step 3: Enter your Tax Number, Exemption Reason and then upload your Tax Certificate, then click **Submit Tax Info** (Fig. 3).

Note: The approval process may take about 3-5 business days to complete. Once you've been processed, you'll receive an automatic notice if approved or declined. If approved, you'll be able to make purchases online with your Tax Exemption automatically applied to your order.

Creating a User Account

Step 1: If you're a Reseller/Dealer and don't have an online account, you'll need to download and complete the Pulltarps **Account Profile Registration** form, then submit it to our team (pt.marketing@safefleet.net) to register (Fig. 4).

Registering as a Dealer? Please [click this link](#) to fill out our Dealer Registration form and submit your request to pt.marketing@safefleet.net.

ACCOUNT PROFILE REG. FORM

After your submission of the Account Profile Registration form, we'll create an online account for you in about 2-3 business days. Then you'll receive an automatic notification that your account has been created, along with the login information. Now you can submit your Tax-Exempt documentation (Fig. 2).

Step 2: If you're not a Reseller/Dealer, then you can create an online in a few minutes (Fig. 5). All you need to do is enter your email and create a password, then you're all set up.
